committee is required to file electronically, that committee is required to file all subsequent campaign statements electronically. (Section 84605(g).)

Your actions violated the Act because you failed to file your semi-annual campaign statement, in electronic format, by the July 31, 2011 deadline. However, in response to our communication to you, you have filed that statement, as well as the semi-annual statement for the period July 1, 2011 through December 31, 2011, in electronic format. We are closing our file on this matter.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.
